 - Gow, 32nd to 31st Street
 - Laclede, Sycamore to 46th Street
 - Dayton, Osage to Walnut

Projects In Design

- **South Lakes Pickle-Plex (PEC)**
 - Scope
 - 24 pickle ball courts and clubhouse
 - Funding
 - City Council approved \$6M funding on April 18, 2023
 - Current Activities
 - Design to completed Spring 2023, construction to start Fall 2023
- **Douglas, Seneca to Meridian (WSP)**
 - Scope
 - Concept development will include lane configurations, bike/ped/transit facilities and aesthetic enhancements
 - Funding
 - CIP includes \$4,900,000 construction funding in 2024, includes Federal funds
 - Current Activities
 - Present to the Bicycle and Pedestrian Board May 8, 2023
 - Present to DAB IV and DAB VI in June
- **West Street, I-235 to 47th Street South (WSP/PEC)**
 - Scope
 - Widen to 3/4 lanes, improve MacArthur intersection, path/sidewalk
 - Funding
 - CIP/TIP includes \$10 million for construction in 2024/25
 - Current Activities
 - Final design and right-of-way acquisition in progress
- **West St./Pawnee/K-42 (TranSystems)**
 - Scope
 - West St. will be widened to 5 lanes; Pawnee/K-42/West intersection to be reconfigured
 - Funding
 - CIP/TIP includes \$18.75 million in 2023/24/25
 - Current Activities
 - Final design and right-of-way acquisition in progress
 - Projected construction start late 2023

- **Prairie Sunset Trail/Chisolm Trail and Delano Path** (TranSystems)
 - Scope
 - Delano path construction, north side of Douglas, from Sycamore to Exposition to begin spring 2023 (Phase 1) – Open bids June 2023
 - Path construction from Douglas/Exposition to I-235/Hoover to begin fall 2023 (Phase 2)
 - Funding
 - CIP includes \$4.7 million in 2021 and 2023
 - Current Activities
 - Phase 1 design completed, Phase 2 design underway
- **Keeler Lake/Brightwater Bay - K-42 Access**
 - Scope
 - Turn lane, ramp, and signalization improvements at K-42 and I-235
 - Funding
 - COW \$100,000
 - Lange \$250,000
 - KDOT \$550,000
 - Current Activities
 - Completing design, construction to begin fall 2023
- **West Kellogg, 111th St. to 135th St.**
 - Scope
 - Six-lane freeway expansion, interchanges at 119th and 135th
 - Funding
